Høghøjs Lakaj

Change of stable

Springtime is the time for selling and buying horses. We are happy to announce that the 3-year old mare Sue Vestergård (by Mistral ou. Stormosens Sitta by Prins) has been sold to Ms. Veronika Wiahl, Malmö, Sweden, as future brood mare and partner of Sargo Vejleby.

The 3-year old stallion Høghøjs Lakaj (by Højdalgårds Archilles ou. Blanka by Zarif Langløkkegård) has been sold to Mr. Peter Wiegman, The Netherlands directly from the breeder Mr. Ulrich Pedersen, Bække, Denmark. Mr. Pedersen handed in the handsome youngster at the Moravita stables with the purpose of training and selling, and the beautiful face of the horse was shortly after spotted by the purchaser. Blanka has this year once again been mated to Archilles, so hopefully a full-sibling to Lakaj will see the world next year.

Fam. Christensen in Grimstrup has acquired from the breeder Ms. Jette Lumholt, Helsingør, the 3-year old mare Smilla (by Chaik Hulsøgård ou. Somalia by Thor Bregnebjerg) as broodmare. She is half-sister to the stallion Regulus Martell (by Ares) that has formerly been licensed for breeding. Smilla one of very few offspring by Chaik Hulsøgård and she brings new blood to the Western part of Denmark. The contact between breeder and purchaser was established through a breeder's network.

Thousands of spectators watched

Frederiksborgers at the Equitana

Training stable Moravita presented their Frederiksborg horses trained in classical dressage on the Equitana 2009 in the end of March. Thousands of spectators could study the horses and the training methods over a duration of 4 days with shows several times a day.
